

Suzie's Master Suite Wish List

- I can open up the windows & blinds, let the sunshine in & still have privacy, as well as a view of the valley & mountains!*
- Located at the rear of the home where, in the early hours of morning, all I'll hear are the sounds of the birds*
- A double door entry*
- Quiet ~ When I close the doors....my own sanctuary.*
- A 5 piece bathroom with a soaking tub*
- His & Her closet—I reserve the right to the walk-in closet*
- Abundant storage in the bathroom*
- A bathroom with special touches of craftsmanship*
- Crown molding touches*
- Ceiling fan with a Light*
- Cable, computer (Cat-5) and telephone outlets installed*
- Wired for security system, control panel & music*
- Room for my own private sitting area with a view*
- King-Size bed ready!*

I Got It All!
